MULE SKINNER

HILLBILLY HEARSE MANIACS!

In April we did some wild shows including: **THE 12 HOURS OF ROCK AT DREAM NIGHTCLUB** with great acts including Mach Pelican, The Twits and No Idea.

THE 3PBS FM SWAMP BOOGIE BENEFIT at the Cornish Arms was an awesome night and we ripped out a frantic set as the final act!

In May **THE GREYHOUND HOTEL** was a great night at one of our favourite pubs.

We had a crazed night at **THE DE LA VILLE** in Geelong where we were introduced to Baccardi 151 Rum . . . more on that later!

An awesome show at the **ESPLANADE HOTEL** was the last for the month with a spectacular climax of a taxi driven by an imbecile smashing into the Hearse after the gig! More on that one over the page . . .

In June we were crazed on Friday The 13th at the **MICAWBER TAVERN**, then caught up with a heap of friends at **THE BRIDGE HOTEL**, then later in the month rocked everyone silly at the **DE LA VILLE HOTEL** and that was a mad gig indeed!

In July we returned to the **KINGLAKE HOTEL** for the first time in many years and it was a top gig!

In August we blasted out some crazy tunes at our favourite **MICAWBER TAVERN**, which was frenzied!

The **DE LA VILLE HOTEL** at the end of the month was a very wild show, indeed with the big crowd having a fat time and rockin' up a storm on the dance floor! After the show Kirk had several shots of the evil Baccardi 151 Rum (about 75%) and turned into the "Riddler"!

In September we have played at a **WILD PARTY** at a secret location that was a wild gig indeed!! Yahoo!!!

HEARSE BACK ON THE ROAD!

After a stupid taxi driver overtook Johnny in a Tram-Only zone outside the Espy and smashed into the Hearse causing considerable damage, the beast has been resurrected. Thank you very much to Shannons Insurance for being so helpful!

Also, George from Nostalgia Panels for his advice and Doug Gleghorn for the great repair job! It looks great!!

STINGERS FRENZY . . .

Johnny is still in every episode lurking around the headquarters and survived the dramatic role in the show when he was "shot"! Kirk also recently made an appearance as a thug! All the old episodes are being repeated during the day so look out for Johnny and Kirk in them and listen for the many songs from "LOVE THAT KILLS" that have been featured on the show!

In upcoming weeks John also has a role in **NEIGHBOURS** as a member of a Movie Star's Fan Club! Dressed as a beatnik eccentric bum and sporting

freckles the character description stated: "Whilst obsessed with women he is unable to communicate with them and if you burst into his flat you would most likely find him doing something very strange"! Bizarre !!!

NEW SONGS and CD NEARING RELEASE

Many new originals are being rehearsed and broken in at gigs and some will be on the new studio album which we are soon to complete! We recently had another run of "Surfin* Hearse" C.D.'s made due to the C.D.'s popularity!!

WILD TURKEY 15th BIRTHDAY + MICAWBER JAM NIGHT 7th!

On the 20th of August Wild Turkey celebrated their 15th birthday and next Monday, 22nd September is the 7th Birthday of John and Kirk hosting the Micawber Jam Session!
